Best. Day. Ever.

# In Focus: A Day with the Masai

Nothing defines the Maasai so perfectly as the intricate and ornate jewellery that symbolises their cultural heritage. This full-day Nairobi tour is held in the Masai homelands around Ngong Hills, and captures the spirit and essence of Masai life.

This Nairobi tour is run in partnership with One Horizon Africa, a non-profit organisation dedicated to alleviating poverty in Kenya and South Africa that holds no religious or political affiliations. Tours are managed by a dedicated Kenyan staffing team who all have a background in travel and tourism, and have joined the team because of their commitment to helping their fellow citizens.

- ❖ At 9.00 am you'll be picked up at your hotel (please be sure to include your hotel name when you book your tour). Duration is 7.5 hours.
- ❖ Drop off location will be at your hotel.
- ❖ Your Nairobi tour will be led by two Maasai tribeswomen and sisters who learned the skills of Maasai jewellery-making from their grandmother. Sitting under cool acacia trees in the stunning countryside, you will make your own Masai wristband under their guidance, using the colour codes observed by the Masai. Best of all, you'll get to keep your handmade jewellery as your own memento of the day.
- ❖ If you like, you can also take part in traditional Maasai singing and dancing, which will be experienced as part of your day.
- ❖ This In Focus experience offers a total cultural immersion that will leave you with memories for a lifetime!
- ❖ All net proceeds of this tour will go to One Horizon Africa.

## An Incredible Experience

One Horizon is not a tour operator nor are its community's tourist attractions. You will see aspects of life that other travellers rarely get to see and in locations inaccessible to others. And your contributions and the programs they fund make a real difference to helping people break the poverty cycle. We couldn't feed children, provide fresh water, medicines and retrain people without your help. We don't ask you to build things or to have trade skills. But we do ask you to bring and apply your life and communication skills. As we always say, "It's not about building school rooms and painting fences'. It's about visiting and connecting". Our communities are uplifted by the fact that other people care. So come and see for yourself how your support is changing the lives of the women and children in our communities.

### What you can become involved in

- ❖ Organising and recording health checks for students
- ❖ Helping us with our feeding program - helping us preparing lunch
- ❖ Helping our teachers in the classroom
- ❖ Organising our painting classes with the children
- ❖ Physical education and exercises
- ❖ Face painting
- ❖ Taking the children on outings

### Why we do this

- ❖ We track pupil health
- ❖ The children are under weight and malnourished
- ❖ To provide new learning experiences
- ❖ Helping kids become kids again
- ❖ To improve the overall health of children
- ❖ A great way to meet the children
- ❖ To broaden their perspective
