DAY 1

One day that will change your life forever

- ❖ At 9am we'll meet you at your hotel and take you to a One Horizon Community Refuge Centre in Kawangware, one of Nairobi's most economically deprived slum communities. The 75 underprivileged children we're helping here will welcome you with open arms - as well as song and dance - and touch your soul as you connect with them through a range of activities that are changing their lives from hunger and despair to happiness and hope. You can help us prepare and feed them nutritious meals, educate them, read to them, play with them, share their delight with face painting ... or, simply just 'be there' to show them you care.
- ❖ At 4pm we'll return you to your hotel to relax before dinner.
- ❖ At 7pm we'll pick you up and take you to one of our favourite Nairobi restaurants to welcome you to Kenya with a dinner hosted by key One Horizon team members. We'll have you back to your hotel by 9pm. Tomorrow you'll meet some of Kenya's most underprivileged, yet inspiring mums.

DAY 2

Today you'll come to realise that global poverty can be solved and you're helping to forge change

- ❖ At 9.00 am we'll meet you at your hotel and transport you to our Women Living Positively centre at Ngong Hills, southwest of Nairobi. Here you'll meet women with HIV who have literally come from living in a drain to graduating with One Horizon's vocational training diploma - amazing women who are now running their own businesses, buying their own land and, best of all, creating bright futures for their children.
- ❖ We invite you to immerse yourself in our Women's Empowerment Program and the lives of the women it is helping - hearing their horrific yet inspirational stories and, if you choose, sharing your own life experiences and skills to help our trainee entrepreneurs succeed in the wide variety of business ventures they are planning.
- ❖ At 4pm we'll return you to your hotel.
- ❖ At 5pm you have the option of visiting the David Sheldrick Rescue Centre for abandoned elephants. The entry fee of \$20USD helps the centre cover the cost of caring for these beautiful animals and rehabilitating them back to the wild.

- ❖ We'll visit a One Horizon educational life centre and you'll be warmed by the traditional African greeting you'll receive. The children here love welcoming our visitors because your interaction with them simply makes them feel happy - you also help us educate and feed them or conduct their health checks but mostly this experience is about sharing fun and laughter with them as an afternoon of games and activities unfolds.
- ❖ At 4:00 pm we'll return you to your hotel.
- ❖ At 7:00 pm we'll collect you from your hotel for dinner at another popular Nairobi restaurant, hosted by our team members. Another amazing day at Amboseli

The vibrant colours of their traditional dress against the spectacular backdrop of Mount Kilimanjaro creates another image that will stay with you forever.

DAY 7

Today we leave Amboseli for Lake Naivasha

On arrival at 08.40am, our One Horizon guide be waiting to meet you and take you to Lake Naivasha, the highest of the Rift Valley Lakes. Despite having no outlet it is one of only two Rift Valley freshwater lakes. Fringed by papyrus and acacia trees, and supporting a vast array of bird life, this beautiful lake is more than 10kms across, but it's very shallow and its area varies considerably with the rainfall - so much so that in the early 1900s it totally dried up.
- ❖ We'll arrive at Lake Naivasha Sopa Lodge for lunch, followed by an afternoon boat ride to see the hippo herds and a guided walking safari of Crescent Island. Then you'll have some time to explore the lodge, which is set amongst 150 acres of grassland, studded with Acacia bushes and trees. Its expansive grounds are home to resident giraffe, waterbuck and both Vervet and Colobus monkeys - they're also a night stop for the hippos who venture from the lake at dark to trim the grass!
- ❖ With Sopa's traditional and conscientious care for the environment, its buildings were carefully positioned on the property to avoid felling any trees - the outcome is an innovative and artistic design for the main guest building which snakes its way between the trees with long and graceful curves. This lodge is both family and business friendly, featuring two swimming pools, a bar, snack kitchen, pizzeria, health spa, tennis court and two conference halls with four meeting areas.
